

Carlyle Tactical Private Credit Fund

Notice of Quarterly Repurchase Offer

IF YOU DO NOT WISH TO SELL YOUR SHARES AT THIS TIME, PLEASE DISREGARD THIS NOTICE

November 25, 2025

Dear Shareholder,

The purpose of this notice is to inform you of the quarterly repurchase offer for the Carlyle Tactical Private Credit Fund (formerly, the OFI Carlyle Private Credit Fund) (the "Fund"). The Fund offers to repurchase shares only during each regularly scheduled quarterly repurchase offer period. If you do not wish to sell your shares at this time, please disregard this notice. You will be notified next quarter at the beginning of the repurchase offer period, and you will receive new documents for that repurchase offer.

This repurchase offer period will begin on **November 25, 2025**, and end on **January 6, 2026**. You will not be charged any fees by the Fund for selling your shares in conjunction with this repurchase offer.

If you plan to sell your shares in this repurchase offer period, you can do so in one of the following ways:

1. For A, U, or N shares, contact your financial professional to place the order. Please consider processing time at the broker/dealer that may be needed prior to the Fund's deadline.
- For I, L, M, or Y shares:
 2. If you own shares through a broker/dealer or adviser, please contact your financial professional. You should NOT submit the attached form directly to the Fund. When submitting the attached form to your broker/dealer or adviser, please note that there may be additional documents you are required to complete. Please consider processing time at the broker/dealer that may be needed prior to the Fund's deadline.
 3. If you have a direct account held with the Fund please **complete, sign and date** the enclosed repurchase request form ("Repurchase Request Form").

All Repurchase Request Forms must be completed in proper form and received by DST Systems, Inc., the Fund's Transfer Agent, by 4:00 pm, Eastern Time, on January 6, 2026, to be included in this quarter's repurchase. The repurchase request deadline ("Repurchase Request Deadline") will be strictly observed. By participating in this offering and utilizing NSCC for order entry, trades should be entered on the Repurchase Request Deadline. If you fail to submit your Repurchase Request Form in proper form to the Transfer Agent by the Repurchase Request Deadline, the Fund will not repurchase your shares or a portion thereof until a subsequent quarterly repurchase offer, at which time you must submit a new Repurchase Request Form for that offer. Shares would be subject to net asset value fluctuation during that time.

Effective August 26, 2025, shareholders who previously elected electronic communications in their subscription documents will begin receiving this Repurchase Notice and other regulatory documents via e-delivery. If you have not yet opted in for e-delivery and would like to do so, or if you prefer to receive paper copies in the mail, please contact our Investor Services Team at 833-677-3646 for instructions on updating your delivery preferences

For details of the offer, please refer to the attached repurchase offer document or you may call us at 833-677-3646.

Sincerely,

Carlyle Tactical Private Credit Fund

REPURCHASE OFFER

1. The Offer. Carlyle Tactical Private Credit Fund (formerly, the OFI Carlyle Private Credit Fund) (the “Fund”) is offering to repurchase, for cash, up to five percent (5%) of its issued and outstanding Class A, Class I, Class L, Class M, Class N, Class U, and Class Y shares (each, a “Class of Shares” and collectively, the “Shares”) at a price equal to the net asset value (“NAV”) of each Class of Shares as of the close of regular business hours on the New York Stock Exchange on the Repurchase Pricing Date (defined below). The purpose of this offer is to provide a level of liquidity to shareholders since no secondary market exists for these Shares. This offer is not conditioned on the tender of any minimum number of Shares. This offer is made subject to the terms and conditions made in this Repurchase Offer and the Fund’s currently effective prospectus and statement of additional information.

2. Net Asset Value. The NAV of each Class of Shares at which the Fund will repurchase Shares will not be calculated until the Repurchase Pricing Date (defined below). The Fund’s NAV and the NAV of each Class of Shares can fluctuate. Therefore, the NAV on the Repurchase Pricing Date may be higher or lower than the NAV stated below or the date on which you return your Repurchase Request Form. The current NAV may be obtained by calling 833-677-3646 and asking for the most recent price. The Shares of the Fund are not traded on any organized market or securities exchange. On November 18, 2025, the NAV per share of each Class of Shares of the Fund was:

Class A	\$8.32
Class I	\$8.36
Class L	\$8.32
Class M	\$8.36
Class N	\$8.32
Class U	\$8.37
Class Y	\$8.32

3. Repurchase Request Deadline. All Repurchase Request Forms must be received in proper form by 4:00 p.m., Eastern Time, January 6, 2026.

4. Repurchase Pricing Date. The Fund anticipates that the NAV of each Class of Shares used to calculate the repurchase price of such Class will be determined on January 6, 2026 (the “Repurchase Pricing Date”). The Fund may use an earlier repurchase pricing date if it appears that the earlier date is not likely to result in significant dilution of the NAVs of either the Shares tendered for repurchase or the Shares that are not tendered for repurchase. This may be higher or lower than the NAV on the date on which you return your Repurchase Request Form.

5. Payment for Shares Repurchased. The Fund expects to make payments for all Shares repurchased no more than seven (7) calendar days from the Repurchase Pricing Date. The Fund will not charge a repurchase fee.

6. Increase in Number of Shares Repurchased. If shareholders tender for repurchase more than five percent (5%) of the Fund's outstanding Shares ("Repurchase Offer Amount"), the Fund may, but is not required to, repurchase an additional amount of Shares not to exceed two percent (2%) of the outstanding Shares of the Fund on the Repurchase Request Deadline. If the Fund determines not to repurchase more than the Repurchase Offer Amount, or if shareholders tender Shares in an amount exceeding the Repurchase Offer Amount plus 2% of the outstanding Shares on the Repurchase Request Deadline, the Fund will repurchase the Shares on a pro rata basis. However, the Fund may accept all Shares tendered for repurchase by shareholders who own less than one hundred (100) Shares and who tender all of their Shares, before prorating other amounts tendered.

7. Withdrawal or Modification. Tenders of Shares may be withdrawn or modified at any time prior to 4:00 p.m., Eastern Time, January 6, 2026.

8. Suspension or Postponement of Repurchase Offer. The Fund may suspend or postpone this Repurchase Offer only by a vote of a majority of the members of the Board of Trustees, including a majority of the independent Trustees, and only in the following limited circumstances:

- If the repurchase of Shares would cause the Fund to lose its status as a regulated investment company under Subchapter M of the Internal Revenue Code;
- For any period during which the New York Stock Exchange or any other market in which the securities owned by the Fund are principally traded is closed, other than customary weekend and holiday closings, or during which such trading is restricted;
- For any period during which an emergency exists as a result of which it is not reasonably practicable for the Fund to dispose of securities it owns or to determine the Fund's NAV; and
- For any other periods that the U.S. Securities and Exchange Commission may permit by order for the protection of shareholders.

9. Tax Consequences. You should review the tax information in the Fund's prospectus and statement of additional information and consult with your tax adviser regarding any specific consequences, including potential state and local tax consequences, of participating in the repurchase. Generally, any tender of Shares to the Fund would be treated as a taxable event and any gain or loss would be treated as a capital gain or loss, either short or long term, depending on the length of time the Shares have been held by you.

10. Documents in Proper Form. All questions as to validity, form, eligibility (including time and receipt) and acceptance of tenders of Shares will be determined by the Fund in its sole discretion. The determination by the Fund shall be final and binding. The Fund reserves the absolute right to reject any or all tenders of Shares (even if such tenders are determined to be in good and proper form) and to refuse to accept for payment, purchase, or to pay for any Shares if, in the opinion of Fund's counsel, accepting, purchasing or paying for such Shares would be unlawful. The Fund also reserves the absolute right to waive any of the conditions of this offer or any defect in any tender of Shares, whether generally or with

respect to any particular Shares or shareholders. The Fund's interpretations of the terms and conditions of this offer shall be final and binding. Unless waived, any defects or irregularities in connection with tenders of Shares must be corrected within such times as the Fund shall, in its absolute discretion, decide. Tenders of Shares will not be deemed to have been made until any defects or irregularities have been corrected or waived.

None of the Fund, Carlyle Global Credit Investment Management L.L.C. (the "Adviser"), DST Systems, Inc. (the "Transfer Agent"), Foreside Fund Services, LLC (the "Distributor") nor any other person or entity is or will be obligated to give notice of any defects or irregularities in tenders, nor shall any of them incur any liability for failure to give any such notice.

None of the Fund, the Adviser, the Transfer Agent, nor the Distributor is or will be obligated to ensure that your financial consultant, or any broker-dealer or any other third party through which your Shares may be held or registered, submits to you this Repurchase Offer or submits your tender of Shares to the Fund on your behalf.

Neither the Fund nor its Board of Trustees makes any recommendation to any shareholder as to whether to tender or refrain from tendering Shares. Each shareholder must make an independent decision as to whether or not to tender Shares and, if so, how many Shares to tender.

No person has been authorized to make any recommendation on behalf of the Fund as to whether shareholders should tender Shares pursuant to this offer. No person has been authorized to give any information or to make any representations in connection with this offer other than those contained herein or contained in the Fund's currently effective prospectus or statement of additional information. If given or made, such recommendation and such information and representation may not be relied upon as having been authorized by the Fund. For additional information about this Repurchase Offer, contact your financial professional.
